

# HESTER - HIGH BACK

Majestic with a strong frame and traditionally classic silhouette, the Hester high back is presented on a beautiful beech ebony ATW01 plinth with low tapered legs, for an added regal touch and luxurious feel, while also enveloped in deep blue-green textured velvet, accentuating its lavish and elegant features. Finished with perfect self-piping detail. A refined design that suits any interior, creating additional character and class.

The Hester is also available with a low back.
