

# SPENCER – HIGH BACK

Modern and contemporary, with meticulously placed self-piping detail adorning the high backrest, the Spencer is a graceful piece, exuding femininity with its gentle curved features. The well-proportioned loose seat cushion, paired with the wide, subtly outward sloping design, add to the delicate nature of the piece, and can help add a soft touch to any interior.

The Spencer is also available as a sofa in various sizes and in a low back design.
